

Date: 07 July 2026	Team ID: SB-7429
Project Name: Smart Lender; Applicant Credibility Prediction for Loan Approval	Maximum Marks: 2 Marks

PROJECT DEMO PLANNING TEMPLATE

Project Demo Planning Template

Organizing roles and milestones for the Smart Lender demonstration:

Demo Step ID	Demo Phase	Action Plan	Deliverable Output
DP-1	Introduction	Provide overview of applicant credibility challenges and project goals.	Abstract slide presentation.
DP-2	Model Pipeline	Explain preprocessing steps (mean/mode imputations) and model results.	Pickle weights verification.
DP-3	Live Evaluation	Input Scenario 1 and Scenario 2 on Flask form and verify result cards.	Web page validation.
DP-4	Scalability Outlook	Present the future roadmap for CIBIL APIs and explainable AI.	Roadmap timeline.
